# **2011 Ride to Remember**

**In support of the**

**UNITED JEWISH FEDERATION  
OF TIDEWATER  
HOLOCAUST COMMISSION**

## **“Remember the Past – Transform the Future”**

The objective of the **JMA** annual **Ride to Remember** is to support the teaching of today's youth to sustain the defining doctrine of all free men and women around the world; that people of all races and religions must be treated equally and without prejudice.

Sixty three years ago, six million men, women, and children of the Jewish faith, along with millions of other innocent people, were murdered in the worst genocide in the history of humankind.

The Holocaust mandates that people of goodwill today must remember the horrors of the past and oppose anti-Semitism, racism and bigotry wherever it surfaces.

As Jews, we have a special responsibility to recognize the moral imperative of teaching young people about the Holocaust and the importance of passing the lessons of tolerance on to future generations.

\*\*\*

The **JMA'S** goal is to fund Holocaust education at local Community Centers, Schools, Museums, Universities and Colleges throughout the World.

With your support, we can make an important difference in the lives of the world's future leaders by teaching the lessons of the Holocaust for the benefit of humanity.

The **JMA** and its supporters have undertaken the mission to work for a future where people of all backgrounds may enjoy a life of equality. This is the task of the Ride to Remember and we invite you to join us in remembering our past and celebrating our future in Virginia Beach, VA.

\*\*\*

*"Intolerance lies at the core of evil. Not the intolerance that results from any threat or danger, but intolerance of another being who dares to exist. Intolerance without cause is so deep within us, because every human being secretly desires the entire universe to himself. Our only way out is to learn compassion without cause – and to care for each other simply because that 'other' exists."*

Rebbe Menachem Mendel Schneerson

## SHIP YOUR BIKE TO 2011 R2R

I am a member of King David Bikers of South Florida. I and some of our members may be shipping our bikes to Virginia Beach.

I would like to suggest that you consider offering this to the other member clubs. Folks could ship their bikes 1 way there, 1 way back or both ways. The pricing will depend on how many bikes we have to ship. Payment isn't made until the bikes are picked up and anyone can cancel prior to pick up.

I have used this company on 4 different trips and found that they offer the best price and are incredibly careful with the handling of the bikes. Each bike is inspected at pick up and put on a specially designed dolly and transported on a tractor trailer. They ship bikes for dealers all around the country.

If you want to offer this to other groups in the JMA (anywhere in the U.S.), I would be willing to coordinate the arrangements for everyone providing each group has **one person as a contact that I would be able to communicate with**. It would be helpful to have a ballpark idea of how many bikes and from where they would ship or return. In the past we have gathered the bikes in one location in our area and the truckers picks up several at one time. I have had bikes shipped to a Harley dealer or the hotel where we were staying. It has been my experience that Harley dealers are willing to help with the shipping and receiving at no charge. They have also accepted bikes other than Harleys.

Let me know if you have any questions or if you feel that you would like to offer this service. . My cell number is (561) 702-0401 or contact Betsy at [msbetsya@yahoo.com](mailto:msbetsya@yahoo.com)

# Auto Train

This is another option of getting to Virginia Beach with reduced mileage and time for Floridians.

The Auto Train takes you and your car (or your van, motorcycle, SUV) nonstop from the Washington, DC area to sunny Florida, just outside of Orlando and vice versa. This is the great way to avoid I-95. The route is Sanford, FL to Lorton, VA (and reverse). It is approximately 190 miles from the Lorton terminus to Virginia Beach on Interstate highways. The distance and time will be longer if a scenic route is taken; the details of which can be provided as the date nears.

The Auto Train provides a stress-free journey by rail, skipping the congestion and traffic on I-95. Put your feet up. Read a book. Take in the scenery. While you travel in comfort, your motorcycle rides along in an enclosed carrier.

Information can be obtained at: <http://www.amtrak.com/autotrain>

## Check-in, Baggage, Boarding and Vehicle Requirements

Important information regarding boarding times and procedures, vehicle rules and restrictions is available on our Auto Train Boarding and Vehicle Requirements page.

## Choose Your Accommodations:

Sit back and relax in your roomy coach seat or reserve a private Bedroom or Roomette.

**Bedrooms:** Our Bedrooms feature comfortable seating by day, with a private restroom and shower. In the evening, an attendant will convert the seats into sleeping berths.

**Roomettes:** Our Roomettes are designed for one or two people, with a restroom and shower facilities nearby.

As of late January, the round trip cost of 1 passenger with a motorcycle and a roomette is ~ \$650. This gets reduced by \$126 if the roomette is shared with a 2<sup>nd</sup> person. The cost is lower if a coach seat is chosen, and higher if a bedroom is chosen.

# THE TIDEWATER HOLOCAUST COMMISSION

The educational mission of the Holocaust Commission of the United Jewish Federation of Tidewater is threefold:

- To promote an understanding of the uniqueness and magnitude of the Holocaust, its unfolding stages and its critical lessons;
- To serve as an Educational Resource Center for students and teachers to learn about the Holocaust, racism, and the dangers of prejudice; and
- To help students apply the lessons of the Holocaust and other historical events – dangers of discrimination, peer pressure, unthinking obedience to authority, and indifference – to the moral decisions they make in their own lives.

The Holocaust Commission works closely with Facing History and Ourselves, a national educational teacher training organization, to engage students of diverse backgrounds in an examination of racism, prejudice, and anti-semitism in order to promote the development of a more humane and informed citizenry.

The Holocaust Commission of the United Jewish Federation of Tidewater encourages teachers, students and the community at large to apply the lessons of history to the moral decisions they make each day. For over twenty years, survivors from the Holocaust Commission's Speakers' Bureau have shared their stories with thousands of students throughout Tidewater. They have touched the hearts of young people by courageously relating their painful experiences. The mission of the Speakers' Bureau, just one of the many invaluable programs offered by the Holocaust Commission, is to provide firsthand knowledge of man's inhumanity to man, and to impart our responsibility for moral courage and justice. Also, "Through the Eyes of a Friend", a dramatic production of Living Voices based in Seattle, Washington, brings Anne Frank's transformative message of hope to the classroom in an innovative, multimedia format. Combining a live performer with archival film footage, this interactive presentation offers a unique educational experience to more than 2000 students over a five-day period of time.

Yom Hashoah, the commemoration of the Day of the Holocaust, has been sponsored by the Holocaust Commission for the last twenty years. The evening program celebrates the power of the human spirit and the enduring faith of those who witnessed and survived the Holocaust. It honors the survivors, liberators and righteous gentiles who reside in Hampton Roads. Each year at the Yom Hashoah Commemoration, the Tidewater Jewish community remembers Hans and Sophie Scholl, young and idealistic German students who were appalled by what was happening around them in 1943 and formed a resistance group called "The White Rose". The proceeds raised through the White Rose project has donated books on the Holocaust to middle and upper school libraries and classrooms; produced and distributed a video and testimonials of our local Holocaust survivors, rescuers, and liberators to all middle and high schools; sponsored a conference for elementary school educators on teaching children respect for differences; and given more than 1000 books on the Holocaust to the libraries of 95 Navy ships home ported in Norfolk. Awards for excellence in Holocaust education are offered by the Holocaust Commission to honor teachers in the area's public and private schools who have demonstrated excellence in

Holocaust education. Recipients of these awards receive a full scholarship and airfare to attend the five-day Facing History and Ourselves Summer Institute for Educators in Brookline, Massachusetts. Additionally, one teacher attends a summer institute that offers participants a unique opportunity to broaden their knowledge of the Holocaust and help them teach young people the dangers of prejudice and indifference. These recipients and their classes are also provided transportation to the U. S. Holocaust Memorial Museum in Washington, DC.

Future plans for the Holocaust Commission include a Student Leadership Conference or Town Hall Meeting on stereotyping, prejudice, and those who have survived it. This conference will give students the courage to look past differences and the tools to overcome peer pressure. Additionally, a workshop is planned for teachers to recognize propaganda and how technology is used to promote hatred. This will provide a forum for teachers to better understand and, therefore, combat the old and new anti-Semitism.
