## **2009 Ride to Remember**

**In support of**

**The Holocaust Lending and Research Library  
Savannah, GA**

**&**

**The Remember Project  
Charleston, SC**

**“Honoring the Past While Educating the Present”**

The objective of the **JMA** annual **Ride to Remember** is to support the teaching of today's youth to sustain the defining doctrine of all free men and women around the world: that people of all races and religions must be treated equally and without prejudice.

Sixty two years ago six million men, women, and children of the Jewish faith along with millions of other innocent people were murdered in the worst genocide in the history of humankind.

The Holocaust mandates that people of goodwill today must remember the horrors of the past and oppose anti-Semitism, racism and bigotry wherever it surfaces.

As Jews, we have a special responsibility to recognize the moral imperative of teaching young people about the Holocaust and the importance of passing the lessons of tolerance on to future generations.

\*\*\*

The **JMA'S** goal is to fund Holocaust education at local Community Centers, Schools, Universities and Colleges throughout the United States, Canada and eventually, the World.

With your support we can make an important difference in the lives of the world's future leaders by teaching the lessons of the Holocaust for the benefit of humanity.

The **JMA** and its supporters have undertaken the mission to work for a future where people of all backgrounds may enjoy a life of equality. This is the task of the Ride to Remember and we invite you to join us in remembering our past and celebrating our future in Savannah and Charleston.

"... in spite of everything, I still believe that people are really good at heart. I simply can't build up my hopes on a foundation consisting of confusion, misery, and death. I see the world gradually being turned into a wilderness, I hear the ever approaching thunder, which will destroy us too, I can feel the sufferings of millions and yet, if I look up into the heavens, I think that it will all come right, that this cruelty too will end, and that peace and tranquility will return again."

Anne Frank

## **Racism Does Not Slow Down For Recession!**

Funds are needed for two programs: one is called *The Remember Project* - a Holocaust education project based in Charleston and under the auspices of the Charleston Jewish Federation. The other is the *Holocaust Lending and Research Library* in Savannah - it will be housed in the JEA/JCC in Savannah, which is considered the heart of the Jewish community. The JCC is under the umbrella of the Savannah Jewish Federation.

Both programs need our support. Contributions can be made through your local club, directly to the JMA along with your registration packet, or conveniently through the secure PayPal link located on the *R2R & JMA* websites. All contributions made will be equally divided between the two causes.

In January a fund raising packet will be distributed to all JMA clubs. This packet will contain instructions, template letter and sponsor form as part of a direct mail campaign.

### **THE REMEMBER PROJECT** **Charleston, SC**

(A Holocaust & Diversity Education Project of the Charleston Jewish Federation)

The Holocaust was the most systematic and extensive government engineered genocide in history. The Nazis murdered approximately 6 million Jews, including more than one million children. This horrific catastrophe compels us to study the Holocaust so that we can prevent future tragedies. As Elie Weisel stated: **"For the dead and the living we must bear witness"**

A fundamental lesson of the Holocaust is that to be a bystander is to share in the guilt; this lesson is applicable to both individuals and contemporary societal violations of human rights.

Students must learn the history of the Holocaust so that we are not doomed to repeat it. The REMEMBER program offers students the opportunity to not only learn Holocaust history, but apply the lessons to society today. Moreover, respect for individuals of all ethnicities and tolerance are learned as an integral part of the unit study.

## **THE REMEMBER PROJECT PROGRAM GOALS**

- To educate about the horrors of the Holocaust
- To promote the concept of mutual respect for all peoples
- To create goodwill and community building amongst all ethnicities in Charleston
- To inspire people to take a stand for what is right

## **THE HOLOCAUST RESEARCH & LENDING LIBRARY Savannah, GA**

Lisa Kaminsky, a member of the Savannah Jewish community came up with the idea through her involvement with Holocaust remembrance, to house a lending library at the Jewish Educational Alliance (JCC). The plan is to house the library using a portion of their 80,000 sq. ft. building located on a prominent corner in Savannah. The JCC is considered the heart of the Savannah Jewish community. They have raised \$7,000 out of the goal of \$30,000. The library will supply much needed and hard to come by, often expensive multi-media material to local teachers and educators.

The lending library is conceived as being a resource for Greater Savannah and Southern Carolina's "Coastal Empire & Low Country". The library will be stocked with a variety of age appropriate tools educators can use for teaching the lessons of the Holocaust: that diversity, acceptance, and tolerance are paramount and acts of hatred are unacceptable. The library hopes to obtain a significant film resource as well. Such items are typically not included in classroom budgets.

Lisa Kaminsky's grandfather Chaim Melamed, is a survivor of four concentration camps-- Auschwitz, Stecken, Ahlem and Bergen- Belsen; he has been a frequent speaker at schools and civic groups for many years. Many of those speaking engagements are at the JEA. Lisa's father is an ardent rider and although not in good health, still rides almost daily.
